GLOBAL COLLABORATION

Building Strategic Partnerships:

BKR's global network of independent member firms creates a unique opportunity for professionals to form strategic partnerships that transcend geographical boundaries. By collaborating with fellow BKR members, professionals gain access to a wide pool of expertise, local market insights, and specialized industry knowledge. Whether it's sharing best practices, leveraging shared resources, or combining efforts to tackle complex projects, BKR members thrive on the collective strength of the alliance.

BKR firms offer a unique combination of personalized local service and close-knit connections, as well as the expertise of a global association. Just like a passport helps you cross national and international borders, BKR helps eliminate barriers to expanding your business.

Our members deliver the highest quality accounting, tax, and consulting services, providing clients with the resources and advice necessary to operate throughout the region, across the country, and around the world.

Prospective members undergo a thorough review by BKR's regional and worldwide boards and share a dedication to continuous improvement.

Expanding Business Horizons:

BKR opens doors to new business opportunities around the world. Members gain exposure to global markets, facilitating expansive growth and international reach. With access to trusted partners, the power of collaboration within BKR allows members to explore new possibilities and take their business to new heights.

Trusted and Reliable Referrals:

Being a part of BKR means having a robust referral framework of trusted professionals worldwide. Members of BKR benefit from the Association's reputation for quality and excellence. The wide range of services and industry specializations within BKR ensures that professionals can confidently refer their clients to other member firms, knowing that they will receive the best service and expertise. This network of trusted referrals adds credibility to members' businesses and fosters long-lasting relationships with clients.

AN EXCLUSIVE GLOBAL ALLIANCE

At BKR International, our network of exceptional firms spans over 80 countries, providing seamless global solutions that cater to our clients' unique objectives. Our member firms are carefully selected for their local expertise, high standards, and influence, ensuring that our clients receive exceptional service that exceeds expectations.

We maintain rigorous standards of excellence throughout the world, empowering our members to provide secure and reliable services to their clients. Our members are leaders in their markets, dedicated to building long-term relationships based on trust, support, and personalized attention.

As the business environment rapidly evolves, we understand that our members and clients require a global team that can provide guidance on any business need. Our services, including international tax planning, audit and assurance, consulting services, digital

assets, transfer pricing, and global mobility, transcend national borders, providing nationally compliant solutions with international implications.

Join us and discover the power of a truly global alliance. Together, we can unlock new opportunities, expand horizons, and make a difference in the world of business.

At BKR International, our members thrive, clients succeed, and relationships endure.

// BKR membership provides extensive global resources and professional expertise which enables us to remain a regional firm, dedicated to our local business community, while giving us a global reach to assist our clients with cross-border of international business issues. //

UNLOCKING GROWTH OPPORTUNITIES THROUGH CONNECTIONS AND KNOWLEDGE

BKR provides members with access to the knowledge and skills needed to thrive internationally. Designed to build long-term relationships in an environment that encourages knowledge growth and sharing, our conferences at regional and global levels bring together expertise to provoke conversation, inform members and explore opportunities for international cooperation.

Our specialist Business Development and Practice Groups include Tax, Audit, VAT, Global Mobility, Transfer Pricing as well as ESG. These groups focus on the sharing of market knowledge and foster collaboration which translates into business opportunities for both members and their clients.

For today's leaders, the Annual Managing Partners Roundtable offers a unique platform for sharing knowledge, brainstorming ideas, and addressing industry challenges. And for our Future Leaders, BKR invests in a specialized program that recognizes and nurtures talent and equips these aspiring leaders with the necessary skills and confidence to drive their own success and shape the industry in the years to come.

BKR's collaborative approach to sharing expert ESG knowledge amongst members ensures we are able to advise our global clients on the international aspects of environmental and sustainability reporting. //
